

A-Core Container

188Ah 100W 12V

Overview

What is a 12V 100Ah LiFePO4 battery?

It is an innovative combination of a 12V 100Ah LiFePO4 battery and a portable DC power station, supplying power for RV travel, outdoor camping, emergencies, and more. 68 automotive-grade cylindrical cells work with the improved BMS that enables low and high-temperature protection to provide better performance and longer service life.

What is the grenerpower 12v100ah mini battery?

Introducing our latest innovation in energy storage technology - the GrenerPower 12V100Ah Mini battery. Engineered with cutting-edge technology, this battery packs a punch despite its compact size and lightweight design.

What is a grenerpower 12V 100Ah mini lithium FePO4 battery?

Embark on your next RV journey powered by the GrenerPower 12V 100Ah Mini LiFePO4 battery. With a built-in 100A BMS for enhanced safety and longevity, our Mini model ensures reliable performance throughout your adventures. Experience the freedom and efficiency of lithium battery technology in the comfort of your RV.

What makes a 12V battery a good choice?

Durable Choice: The 12V Battery Is Made Of High-Strength, Impact-Resistant, Heat-Resistant, Weather-Resistant, Fire-Resistant ABS Casing, Offering Dustproof And Waterproof Protection With An IP67 Rating. Which Ensures Reliable, Long-Lasting Power Support In A Variety Of Harsh Environments.

How long does a grenerpower 12v100ah battery last?

Engineered for reliability and longevity, this powerhouse boasts a robust 1280Wh capacity and a remarkable 1280W energy output. With a lifespan of up to 10 years, it's your steadfast companion for countless journeys ahead.

Experience unmatched reliability with our GreenerPower 12V100Ah Mini battery.
