American lithium battery outdoor power supply customization

Overview

Who is Lithium Power?

Welcome to Lithium Power, Inc., Your premier choice for cutting-edge lithium battery design and manufacturing solutions. With an unwavering commitment to innovation, LPI is revolutionizing the mobile/portable energy and energy storage industries one battery at a time.

Are lithium-ion batteries good for outdoor power equipment?

Lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment. At American Battery Solutions, we offer batteries designed to meet your specific needs.

Where are lithium batteries made?

Big News from Lithium Battery Company! We've expanded with a cutting-edge, fully automated factory at 5201 S Westshore Blvd, Tampa, FL! Advanced lithium-ion battery solutions for defense, medical, marine, and industrial applications, manufactured in our Tampa, FL facility.

Do you offer low-voltage batteries for outdoor power equipment?

At American Battery Solutions, we offer low-voltage batteries for outdoor power equipment in 48v and 24v battery systems*. These efficient and effective options come in a variety of configurations. What's more, our lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment.

Who assembles a custom battery pack?

Assembled in the USA, Cell-Con designs and assembles custom battery packs to meet the needs of application regardless of complexity. If your application requires a larger format custom battery from 300Wh to 30kWh and beyond, we are ready to provide a solution.

Can electric vehicle lithium-ion be used outdoors?

From commercial landscaping to autonomous delivery, lithium-ion batteries from electric vehicles are heading outdoors. American Battery Solutions offers low-voltage batteries for outdoor power equipment in 48v and 24v battery systems, with efficient and effective options in a variety of configurations.
