Bahamas new outdoor power supply

Overview

At a recent press briefing, Mr. Marcello outlined BPL's ongoing plans: two new generation units were successfully tested on August 30 and are awaiting critical parts expected this weekend; repairs continue at the Hatchet Bay Power Station; and adjacent land is being developed for.

At a recent press briefing, Mr. Marcello outlined BPL's ongoing plans: two new generation units were successfully tested on August 30 and are awaiting critical parts expected this weekend; repairs continue at the Hatchet Bay Power Station; and adjacent land is being developed for.

BPL strengthens power supply in the Abaco Cays with new units and a 30-day upgrade plan for mainland Abaco. Four new generators installed across Hope Town, Man-O-War Cay, and Guana Cay. Grand Cay to receive an upgraded 750 kW generator this weekend. Wilson City repairs nearly complete; three units.

"The Government of The Bahamas is committed to a new energy era where modernized infrastructure, clean energy, and major reforms drive down costs and enhance reliability for all Bahamians. This transformation won't happen overnight, but its impact will be game-changing." The Hon. Philip Edward.

Today, I am proud to announce that we are partnering with EA Energy to develop a solar and LNG-powered microgrid in Abaco and Eleuthera, and we are partnering with The Exumas Renewable Energy Corporation to set up a microgrid in Exuma. These partnerships will transform power generation on these.

In partnership with Bahamas Power & Light (BPL), Bahamas Grid works around the clock to ensure that all customers in New Providence have access to reliable and affordable power each day. Follow our Facebook page to see the most up-to-date news on our project. October 9, 2025 Six months after.

Harbour Island currently has stable surplus power supply sufficient for 5-7 years. NASSAU, The Bahamas — Bahamas Power and Light Company Limited (BPL) wishes to reassure consumers on mainland Eleuthera that meaningful progress is being made toward achieving our long-term energy goals. We

remain.

NASSAU, The Bahamas -- The Minister of Energy and Transport the Hon. JoBeth Coleby-Davis said the islands of Staniel Cay, Bimini, Moore's Island, Farmer's Cay, San Salvador, Long Island, and Cat Island will join communities on New Providence, Eleuthera. NASSAU, The Bahamas -- The Minister of.
