# Battery Cabinet Telecom Site

## Overview

---

What is a site support Cabinet?

Site Support Cabinets (CUBE SS Series) are durable pad mount enclosures designed to provide robust protection of power equipment and battery technologies deployed in outdoor environments. One of the biggest challenges wireless service providers face is to provide reliable power in an efficient and environmentally friendly manner.

What is icecube equipment cabinet?

Equipment Cabinets Single & Multi-Bay W/EZ Access™ Battery Chamber  
ICEcube offers three distinct mounting configurations to accommodate various applications. Wall and pole mount cabinets are ideal for compact installations where space is limited, providing secure and efficient housing for your equipment and/or batteries.

What is a CIBR battery rack?

Charles Indoor Battery Racks (CIBR) are modular, seismic Zone 4 rated (GR-487 certified) battery rack systems designed to fit the footprint of VRLA batteries from a variety of battery manufacturers or Saft Tel.X Ni-Cd batteries. In addition to several standard configurations, there are also single tray options that can be built on site.
