## Overview

---

Are solar carports bespoke?

Carports in general are bespoke in design and manufactured to our clients specifications. Solar carports can be designed to your exact specification. We can design to any specification that our clients request, from a basic frame design to a more detailed design with guttering and LED lighting with motion detection control and CCTV.

Which is the largest solar carport in India?

Tata Motors and Tata Power have joined together in order to set up one of the largest grid synchronized, behind the meter solar carport of the county. The carport is located in Pune at the car plant of Tata motors. The company has said that the 6.2-megawatt carport is the largest solar carport in the country.
