Canadian 6V solar panel specifications

Overview

Under Nominal Module Operating Temperature (NMOT), irradiance of 800 W/m², spectrum AM 1.5, ambient temperature 20°C, wind speed 1 m/s. What is a Canadian solar panel?

CANADIAN SOLAR INC. Solar Panels are modules built with a collection of solar cells and are used for the production of DC voltage and current directly from the sun energy. 60-cell standard panels Canadian Solar's standard panels have high system energy yield at low irradiance and low NOCT.

What information is included in the Canadian Solar datasheet?

The aforesaid datasheet only provides the general information on Canadian Solar products and, due to the on-going innovation and improvement, please always contact your local Canadian Solar sales representative for the updated information on specifications, key features and certification requirements of Canadian Solar products in your region.

Who is Canadian Solar?

Canadian Solar was recognized as the No. 1 module supplier for quality and performance/price ratio in the IHS Module Customer Insight Survey, and is a leading PV project developer and manufacturer of solar modules, with over 50 GW deployed around the world since 2001. Nominal Opt. Opt. Open Short Max.

What is a cs6p solar module?

CS6P is a robust solar module with 60 solar cells. These modules can be used for on-grid solar applications. Our meticulous design and production techniques ensure a high-yield, long-term performance for every module produced.

What are Maxpower solar panels?

MaxPower Panels MaxPower is Canadian Solar's series of robust solar panels

with 72 solar cells. These panels have high system energy yield at low irradiance and low NOCT. Our stringent.

Where can I find the latest version of the Canadian Solar manual?

We recommend checking regularly for the most updated version. The information contained in this manual is subject to change by Canadian Solar Inc. without prior notice. Canadian Solar Inc. gives no warranty of any kind whatsoever, either explicitly or implicitly, with respect to the information contained herein.
