# Chile outdoor power supply small

## Overview

---

What plug types and power outlets are used in Chile?

The Standard Plug Types and Power Outlets used in Chile are: Adapter vs. Converter An Adapter (aka plug adapter or power adapter) is used to adapt the physical shape of the plug so that it can be plugged into a different type of power outlet or socket. It doesn't transform the voltage of the power source.

Does Chile have a power outlet?

No, most power outlets and plug types in Argentina are type-I (the same as in Australia, New Zealand, and China). However, there are some places in Argentina with type-C power outlets — the plug type used in Chile — or outlets that accommodate both. Do I need a voltage converter in Chile?

Chile has a 220-240 voltage supply.

Do I need a power adapter for Chile?

For Chile, you need an adapter that supports either type C or type L plugs. If your devices are not compatible with the Chile power outlet type, you'll also need a voltage converter. Can I use my US phone in Chile?

.

Do US plugs fit in Chilean power outlets?

During my adventures in Chile, I quickly realized that US plugs don't fit into Chilean power outlets. Chile primarily uses two types of outlets: Type C (two round pins) and Type L (three round pins). These are quite different from the flat-pronged plugs we're used to in the States.

What type of outlet does Chile use?

Chile mostly uses type-L outlets. These outlets accommodate type-L plugs and type-C plugs, with 2 or 3 rounded prongs of a 4mm diameter each. Does Chile

use the same electrical outlets as the U.S.?

No, Chile's electrical outlets are different from the outlets in the U.S. Chile uses type-L plugs with 3 (4mm) holes in a row.

Do you need a travel adapter in Chile?

In Chile, they use Type C and L power plugs and outlets. The voltage is 220V, and the frequency is 50Hz. So, you'll need a travel adapter in Chile. Their plugs and outlets are different from the Type A and B ones we use back in the States. Need a travel adapter?

Yes, you do need a travel adapter Need a voltage converter?
