Why should you install solar panels?

Generate your own clean energy from the sun for free with solar. Add Powerwall to store your energy for use anytime you need it. Flexible financing and low monthly lease options can help you secure the best price for your solar system. By installing solar panels, you can also reduce your reliance on traditional energy sources.

Are solar panels a good investment?

Solar panels are a collection of solar cells that absorb sunlight and convert it into useable energy. Since solar energy is better for the environment, most local governments provide tax breaks and other incentives for those using solar power, making them a great investment without sacrificing quality.
