

A-Core Container

Egypt water pump inverter solar panel manufacturer

Overview

How can solar water pump systems save money?

This is commonly done by using diesel generators along with your PV system, which hardly has any marginal cost always treated as a grid priority. Remote pumping has never been easier with our solar water pump systems. Install in a shadow-free area and save fuel costs while generating your own reliable string of eco-friendly power.

Who is Solaire Egypt?

Investing in your future has never been easier. Solaire Egypt was officially established in 2020 after the partners, Ibrahim Hassaballa, Mohamed Ali and Amr Haridi met and realized they form a team with the perfect balance of expertise for renewable energy.

Does Egreen deliver to Egypt?

EGreen delivers for free to Cairo and Alexandria, Egypt, for their solar energy systems. They also offer a paid delivery service to any other location in Egypt.
