Where can I find information about public procurement in Greece?

Agiou Dimitriou 27, 56224, Euosmos, Thessaloniki Greek tender information service promitheies.gr at a glance: contact details, KPIs and further information about public procurement sector in Greece.

Why does Greece have a high rate of tenders?

Greece has one of the highest rates of tenders with only one bid among EU countries, with a strong increase in recent years. One of the reasons is that the Greek economy is highly dominated by small companies, many of them

incapable or not willing to participate in high-value tenders. This gives opportunities to foreign companies to fill the void.

What is tenderstech?

TendersTech also provides the latest international projects and contract awards. TendersTech serves as your one-stop portal to search for local, state, and international tenders in Greece. Simplify your search for the best tender for your business needs by comparing Return on Investment (ROI), project types, bids closure times, and more.
