banks for your cell phone. Choose from cabled or wireless charging pocket battery packs to keep your devices powered wherever you are. How much does a power bank cost?

Iniu Power Bank Ba1-B64 for \$80: Offering relatively low prices, Iniu is a power bank brand on the rise. This portable charger packs a 27,000-mAh capacity, can put out up to 140 watts, and charges three devices at once via two USB-C ports and a single USB-A port.

Why should I buy a portable power bank?

Travel + Leisure does not endorse the opinions and views shared by readers in our comment sections. Whether you need to charge your phone, tablet, or laptop, these portable power banks will help keep you connected wherever your travels take you.

Can a power bank charge a phone?

While most power banks provide ports, some also offer built-in charging cables for commonly used devices so you won't have to carry separate charging cables. You can also find portable phone chargers that attach directly to your smartphone to automatically extend your phone's battery life.

Which power bank should I buy?

If you're looking for a compact power bank with decent capacity, Anker's Nano Power Bank is my pick, but watch out because the company has several power banks with the same name. This model has a 10,000 mAh capacity, a 2.3-foot retractable cable, and the ability to charge devices at up to 45 watts.

Is mycharge a good portable power bank?

The charging cord is shorter than other models. This portable power bank from myCharge earned the top slot in our test for its portability, battery life, and ability to accommodate both iPhone and Android models. Thanks to the USB port, type C, and lightning cable adapters included, you don't have to bring your own cables.

What is a power bank & how does it work?

A power bank is a portable, external battery pack that can charge your cell phone or other mobile device when you're away from an outlet. It's a great tool to have on hand in case of emergency—like when you need to call 911 or

check in with someone and your phone is dead.
