Huawei South Africa Energy Storage Battery Project

Overview

Key Figures & Findings: Huawei Digital Power Sub-Saharan Africa has signed on as the exclusive OEM for the Palabora Mining Company (PMC) solar-plus-storage project, a flagship venture packaged by developer Journey 2 Green through its Mzansi Energy Consortium and announced at the 2025.

Key Figures & Findings: Huawei Digital Power Sub-Saharan Africa has signed on as the exclusive OEM for the Palabora Mining Company (PMC) solar-plus-storage project, a flagship venture packaged by developer Journey 2 Green through its Mzansi Energy Consortium and announced at the 2025.

Huawei Digital Power Sub-Saharan Africa has been selected as the exclusive original equipment manufacturer (OEM) partner for the Palabora Mining Company (PMC) solar and battery energy storage system (BESS) project, a flagship initiative led by the Mzansi Energy Consortium and Journey 2 Green (J2G).

South Africa's Sunspot Farm powers itself with solar panels paired with Huawei's Luna2000 battery systems. For Sunspot Farm, it was not just about survival, it was also about how to continue operations while adhering to their commitment to sustainable farming. Enter the LUNA2000-2.0MWH Battery.

Huawei Digital Power Sub-Saharan Africa has been chosen as the exclusive original equipment manufacturer (OEM) partner for the Palabora Mining Company (PMC) solar and battery energy storage system (BESS) project. This flagship initiative is led by the Mzansi Energy Consortium and Journey 2 Green.

Global information and communication technology infrastructure and smart devices provider Huawei has installed a LUNA2000 2.0 MWH battery energy storage system (BESS) at Sunspot Farm, in Montagu, Cape Town. The farm has also installed the photovoltaic model SUN2000-330KTL smart string inverter.

Huawei Digital Power Sub-Saharan Africa has been selected as the exclusive original equipment manufacturer (OEM) partner for Palabora Mining

Company's solar and battery energy storage system (BESS) project. The agreement was formalized at a signing ceremony at the 2025 SNEC Expo in Shanghai, China.

Global information and communication technology infrastructure and smart devices provider Huawei has installed a LUNA2000 2.0 MWH battery energy storage system (BESS) at Sunspot Farm, in Montagu, Cape Town. Power-M works as an all-in-one energy supplier to fight off blackouts with power generation.
