Do portable chargers & power banks work if you're out of juice?

These portable chargers and power banks give you the most boost when you're out of juice. Sarah has been writing about consumer tech since 2019 with a focus on ereaders, phones, and tablets. Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful.

Should I buy a power bank or a portable charger?

On the whole, yes. I've tested hundreds of power banks and portable chargers from a myriad of companies, and as long as you steer clear of the cheap no-name junk that you might find in dollar stores and gas stations you should be safe. You no doubt noticed I said "should" there. Let me explain what I mean.
