Kiribati telecommunications operator base station equipment

Overview

How does the Communications Commission of Kiribati enforce technical standards?

The Communications Commission of Kiribati enforces technical standards for all customer equipment connected to licensed networks, under Sections 61 and 62 of the Communications Act 2012. Please refer to this table for more information about License Fee.

Are telecommunication services available in Kiribati?

Telecommunication services in Kiribati are still limited, and when available very expensive. The World Bank, AusAID and New Zealand are supporting a new project that aims to create a more favourable environment for telecoms/ICT development in Kiribati.

What is the new act in Kiribati?

The former Telecommunication Authority of Kiribati has a new change of name under the new ACT and the new name now is Communications Commission of Kiribati. The Commission's main core function will regulate communications service providers and the use of the radio spectrum in Kiribati.

What is a radio licence in Kiribati?

A licence issued under these Regulations authorizing the licence holder to import, sell, or otherwise deal in radio equipment in Kiribati. Copyright © 2025. CCK. Feel Free to contact IT Department at itsupport@cck.ki.

Who is Vodafone Kiribati?

Vodafone Kiribati has a diverse range of customers, including consumers, small businesses, medium to large enterprises, non-government organizations, and the Government itself, and we strive to put them at the center of everything we do. We understand our customers want technology and content solutions that are simple and easy to use.
