Mozambique Energy Storage Project Investors

Overview

Will Mozambique LNG be Africa's largest private-sector investment?

The Mozambique LNG project, operated by TotalEnergies, is set to become Africa's largest private-sector investment, driving economic transformation, job creation, and infrastructure development in the region. The Path to Resumption: International Backing for Mozambique LNG Also read: US Strengthens Energy Security with Support for Mozambique LNG.

Will Mozambique LNG project improve security?

As soon as the security situation improves, the Mozambique LNG project can restore investor confidence and create long-term development. With prudent management, it can help Mozambique achieve poverty reduction and economic independence, turning a once vulnerable region into a regional energy giant.

Is totalenergies preparing to reopen a long-delayed LNG project in Mozambique?

French oil and gas giant TotalEnergies is preparing to restart development work on its long-delayed LNG project in northern Mozambique – but faces a key test in persuading lenders to fulfil their commitments.

Will Mozambique LNG be able to recover?

As the Mozambique LNG project inches closer to recovery with renewed financial backing, industry stakeholders will gather at the upcoming Invest in African Energy Forum in Paris to explore the broader challenges and opportunities for advancing Africa's LNG potential.

Is the Mozambique LNG project regaining momentum?

The Mozambique LNG project, one of Africa's largest and most ambitious energy initiatives, has faced numerous challenges over the past few years, from escalating security threats in the Cabo Delgado region to delays caused

by a global pandemic. But as 2025 unfolds, new developments indicate that the project is slowly but surely regaining momentum.

Will a US loan help Mozambique LNG project?

The US Export-Import Bank (Exim) has approved a direct loan of up to \$4.7 billion to support the Mozambique LNG project in Cabo Delgado, marking a significant milestone in the project's revival after years of uncertainty.
