

A-Core Container

New Zealand solar panel custom manufacturer

Overview

Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

How much do solar panels cost in NZ?

Solar panels cost very little in NZ and offer a reliable source of power for water pumps, lighting, security cameras and alarms, remote communications, security gates, signage billboards, light houses, and on-site container offices. Wherever you need power, we can design off-grid solar systems perfect for your needs.

Where can I install solar panels in New Zealand?

We provide solar installations in Auckland, Northland, Waikato, The Bay of Plenty and throughout the rest of New Zealand. With local installers and partners supporting both urban and rural properties.

Who installs seanz solar panels?

Nationwide systems are installed by SEANZ accredited solar panel installers near you, offering you the best price, professional service, expert advice and full installation support wherever you are. What is SEANZ and why does it matter?

SEANZ is the Sustainable Electricity Association of New Zealand.

Who are the leading manufacturers of solar power?

We've partnered with industry leading manufacturers such as Fronius, REC, Victron, Tesla Powerwall, Phono Solar, BYD, Freedom Won, Shoto, Hopergy,

S-5! and Tigo to deliver a wide range of solutions to our clients and to meet the needs of domestic, commercial, industrial, off-grid and utility scale solar power solutions.

Why do you need a custom Solar System?

We provide custom solar solutions designed to lower power bills, reduce carbon footprints, and create long-term energy independence. From high-quality solar panel installations to innovative carport systems that generate clean power while protecting vehicles, our team delivers sustainable energy solutions built for Kiwi lifestyles.
