Pretoria energy storage battery manufacturer

Overview

Who is Enertec batteries?

Enertec Batteries was founded in 1982, it is a well-known lithium battery and energy storage product supplier in South Africa. With 40 years of industry experience, it offers a wide range of products including lead-acid batteries, lithium batteries, energy storage systems, inverters, and other solar components.

Who makes high-voltage batteries in South Africa?

In 2025, LBSA also developed a high-voltage battery for industrial use, with strong focus on safety, reliability, and efficiency. If you're looking for affordable, high-quality batteries in South Africa with after-sales support, check out LBSA. BlueNova was founded in 2015, with offices in Cape Town and Gauteng.

Where can I buy a lithium ion battery in South Africa?

CHASE Technologies is a leading industrial lithium-ion battery supplier in South Africa. They provide lithium iron phosphate batteries designed for tough working conditions. Their products use full aluminum cases, making them strong and durable—a trusted power source for industrial and recreational equipment.

Who are sinetech batteries?

Sinetech was founded in 1995 and is a leading importer and supplier of lithium batteries in South Africa. They mainly offer lithium batteries, lead-acid batteries, inverters, UPS systems, solar panels, and power protection components. All products go through strict selection and testing to withstand Africa's harsh conditions.

Does Enertec sell Energizer batteries?

Enertec is also the official distributor for several internationally recognized

battery brands such as Energizer, CTEK, and Discover. It has a reliable distribution network with efficient delivery and a complete product selection.

Are energy storage systems scalable?

We deliver Low Voltage, High Voltage, and Utility-Scale Storage Systems that are scalable. Whether you're seeking off-grid independence or grid-connected benefits, we provide reliable Energy Storage Solutions that ensure performance, safety, and long-term sustainability.
