Samoa Emergency Energy Storage Power Supply Distributor

Overview

Does Samoa have a state of emergency?

[PRESS RELEASE April 7, 2025] – The Government of Samoa has declared a 30-day State of Emergency in response to the ongoing energy crisis. The Electric Power Corporation (EPC) and the National Emergency Operations Centre (NEOC) are working closely to ensure the continuity of essential services and minimize disruptions. 1. EPC Power Supply Update.

When will Samoa's power supply increase?

before the end of April, which will significantly strengthen national power supply capacity. Emergency Order No. 1 has been issued under the POE. Key provisions include: between 17 February and 29 April 2025, provided arrival in Samoa occurs by 29 June 2025.

What has the EPC done for Samoa?

To date, works continue for further developments of its existing generation and distribution network. As mandated to generate, distribute and sell electricity supply to all of Samoa, the EPC has connected up to 99% of Samoa's population. Increased access by all people of Samoa, to quality and affordable electricity supply.

Why did the American Samoa power authority choose eastern power solutions?

The American Samoa Power Authority selected Eastern Power Solutions with the EVLO 1000 BESS to enhance the delivery of safe, reliable, and clean power to the local community. ASPA is a development-oriented public utility providing electricity, water, wastewater, and solid waste services to about 50,000 residents.

Is the government working to resolve Samoa's power supply issue 'bit by bit'?

Autagavaia says the government is working to resolve the power supply issue

"bit by bit". Photo: 123RF Residents on Samoa's main island of Upolu can expect some relief after the arrival of five generators leased from a company in New Zealand on Monday to manage the country's ongoing power crisis.

How much does Samoa's power crisis cost?

Fiaame said the economic impact of the crisis is estimated to cost up to 16 percent of Samoa's Gross Domestic Product (GDP). RNZ Pacific Samoa correspondent Tipi Autagavaia told Pacific Waves that the government was working to resolve the power supply issue "bit by bit" while the country remains under a state of emergency until 29 April.
