Overview

What are industrial inverters?

Industrial inverters are electrical power converters that change direct current (DC) to alternating current (AC). They are designed for industrial use to safeguard critical loads in places of high power shortage, such as high-rise buildings, offices, and industrial power plants. EnerTech delivers the finest industrial inverters that are efficient in saving energy bills even in the most extreme climatic conditions.

Are ExelTech sinewave inverters a good choice?

They are an excellent choice for a 'whole house" inverter. Exeltech sinewave inverters, available in sizes from 150 watts to 5000 watts, are an excellent choice for power systems running audio or telecommunications equipment and other electronics that are waveform-sensitive.

Which square wave inverter is best?

Square wave inverters have the lowest cost and efficiency and are not sold in this catalog. The price of the better quality inverters is low enough to make square wave inverters an unattractive choice. Trace UX series, DR series, U series inverters and Genius inverters have modified square wave output with harmonic distortion of around 40%.

Is the EnerTech industrial inverter eco-friendly?

The EnerTech industrial inverter is eco-friendly and can be customized as per the requirements. EnerTech is a leading Industrial Inverter manufacturer & supplier in India and has also supplied inverters internationally.

Which inverter delivers a sine wave?

Intertie inverters and utility companies deliver a sine wave. Square wave inverters have the lowest cost and efficiency and are not sold in this catalog. The price of the better quality inverters is low enough to make square wave

inverters an unattractive choice.

What is a pure sine wave inverter?

Rugged, heavy duty and industrial grade 3-phase pure sine wave DC/AC inverters, 24V, 48V, 125V or 250VDC inputs available. 208VAC or 380VAC or 415VAC output, 6000 watts. Pure sine wave output exactly duplicates mains power. Neutral point is grounded--Ultra quiet with no electrical interference.
