

A-Core Container

Tajikistan household energy storage equipment manufacturer

Overview

Where does Tajikistan work?

Nearly half of the labour force of Tajikistan works abroad, with Russia being the primary migration destination. Other destinations include Kazakhstan, UAE, Ukraine, Afghanistan, and the United States. The gross domestic product (GDP) of Tajikistan reached around 10.5 billion United States dollars (USD) in 2022.

What are Huijue group's energy storage solutions?

Huijue Group's energy storage solutions (30 kWh to 30 MWh) cover cost management, backup power, and microgrids. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative base station energy solution.
