Overview

What is the best power bank for camping?

Offline maps. Getting down to less than 10 percent on a camping trip can be a little stressful. The Charge 40 PD was one of the best power banks for camping in the 10,000mAh range during testing, and it has a budget friendly price. The BioLite Charge 20 PD is exactly what you need at the right price.

Do you need a power bank for camping?

It only takes one dead phone battery to make you realize the importance of a power bank for camping. Whether it's snapping a picture of the local flora and fauna, setting an alarm for your sunrise hike, or pulling up directions for the drive home, it's essential that you have enough juice to last to the end of your trip.

Do you need a power bank for a wilderness trip?

On the other hand, if you're planning to spend multiple days in the wilderness carrying a number of different devices (like a GPS, phone, GoPro and digital camera), then you're going to need one of the bigger power banks around (probably 20,000mAh+).
